FURNITURE REQUEST FOR PROPOSAL

APMA PROJECT NO. 21016

DATE: 04-05-2023

Please provide a proposal for the outlined items to Alley Poyner Macchietto Architecture (APMA), for furniture for the Woodbine IGNITE STEM Center.

Proposals are to be submitted electronically to APMA by:

12:00 PM - April 20, 2023

Said proposals should conform to the specifications outlined in the Request for Proposal (RFP). The Owner reserves the right to reject any and all offers and to waive minor informalities.

This RFP is being presented publicly.

Please email a digital copy of your response to Chandler Green, cgreen@alleypoyner.com and CC Nicci Champoux, nchampoux@alleypoyner.com by the date/time indicated above.

Additionally, please contact me via email with any questions related to the Request. All questions should be run through the design firm and not through the owner.

PROJECT DESCRIPTION

The IGNITE STEM Center will soon be home to a state-of-the-art STEM education training facility in Woodbine, IA. This is a new, ground up facility that will support the launch of IGNITE Pathways Technical School, which will serve as a hub for innovation and skills training for careers in STEM fields for students and community members across southwest Iowa.

Delivery and unloading will be directly accessible to the First Level via the main first level entrance and Lower Level via the main lower level entrance, both with zero entry. Elevator and stair access is provided for Second Level spaces and can be utilized as necessary for installation. The vendor will be expected to coordinate with the General Contractor, Owner, and APMA on all aspects to ensure a seamless ordering process and installation. Deliveries for furniture will be coordinated with the GC and APMA. Vendor(s) are required to remove and dispose of all excess packaging, garbage, etc. at the end of each installation day. Vendor(s) are required to maintain a clean staging area for the duration of installation. Final details on delivery will be discussed with the vendor. Reference project schedule below.

School is tax exempt. Any applicable purchasing contracts should be presented and utilized where cost savings is applicable and client will apply as needed (if not already set up).

VENDOR REQUIREMENTS

- 1) Offerer must meet all specifications called out herein to submit. Product substitution requests **MUST** be submitted to APMA for approval prior **12:00 PM on 4/14**. Substitutions not submitted for prior approval will not be accepted in final bid.
- 2) Substitution requests must include at a minimum image(s), price per unit, lead time, and comparable finishes. Website links may be provided for additional referencing but should not be the sole source of information.
- 3) Offerer **MUST** submit all documents listed under “Submittals”.
- 4) All questions to be emailed in writing by **12:00 PM on 4/17**, prior to Submittal date.
- 5) **Submittals:**
 - a) **Section A (Cost):**
Submit unit pricing for each item being bid on. Submit total pricing for your entire submitted package. **This project is tax exempt.** Include any related freight/ shipping and installation fees. Spreadsheet provided for presenting pricing.
 - b) **Section B (Project Schedule):**
Furniture installation is currently planned to begin July 24th. If any items are not able to meet this schedule, please provide an explanation for the extended time frame, and when the expected arrival for each item would occur prior to the proposed install date. This includes availability and time frame of selected fabrics which can be noted on provided spreadsheet.
 - c) **Section C (If applicable - approved substitutions/ alternates deck pages):**
If substitutions or alternates are provided and approved prior to bidding, please provide a page showing all information requested above @ item #2 for each applicable product or item.
- 6) **Fabric Testing:** Offerer must notify APMA of any unapproved, untested, unavailable, or extended lead time fabrics by **12:00 PM April 17th**. Should any COM selections be unapproved or unavailable, APMA will coordinate reselections with the selected Offeror(s). if any COM is unapproved or unavailable, provide pricing for Grade D or eq fabric.
- 7) **Default of Contract:** In case of default by the Offerer, the Owner may procure the services from other sources and hold the Offerer responsible for any excess costs occasioned or incurred thereby.
- 8) **Licenses and Permits:** Offerer shall secure all licenses and permits and shall comply with all applicable laws, regulations and codes as required by the State of Iowa. The Offerer must fully comply with all Federal and State laws and County and Municipal Ordinances and Regulations in any manner affecting the performance of the work.
- 9) **Schedule:** Work shall be regular, diligent, and uninterrupted at such rate of progress as will ensure full completion thereof within the time specified, and shall correspond with the building’s General Contractor schedule.

VENDOR REQUIREMENTS (cont.)

- 10) *Delivery/Storage of Materials and Equipment:* The Offerer shall be responsible to receive, off-load, and sign for all materials delivered to the site. The Owner or building General Contractor will not sign for any deliveries. All materials shall be stored in accordance with the manufacturer's recommendations. The Offerer is responsible for safeguarding all materials and equipment located on-site. On-site storage must be coordinated with the General Contractor and APMA. The owner will not take on any additional costs for storage not indicated or provided with bid.
- 11) *Installation:* The Offerer will provide the following with respect to the installation team:
1. Project Manager: This individual will have at least five (5) years experience in the administration of furniture installation projects. This person will have the authority to act on behalf of the vendor with regard to pricing, scheduling, changes in the work, coordination with the building General Contractor, coordination with the Owner, and coordination with the building Design Team.
 2. On-Site Supervisor: This individual will have a minimum of five (5) years experience in the installation of commercial furniture. This person will act as the on-site supervisor for the installation of all furnishings awarded and will be required to remain on site whenever furniture is being delivered or installed.
 3. Vendor(s) are required to remove and dispose of all excess packaging, garbage, etc. at the end of each installation day.
 4. Vendor(s) are required to maintain a clean staging and work area for the duration of installation. No food or beverage other than water will be allowed within client building.
- 12) *Warranty:* All proposed furniture shall have a warranty. The specific language of the proposed warranties will be evaluated as part of the selection process.
- 13) *Errors and Omissions:* Offerer to provide complete and accurate bids. Vendor to contact APMA with any discrepancies in quantities between plan and furniture spec quantities. If errors and omissions are found in quantities or costs by the Offerer after submission to APMA, it will be the Owner's discretion to accept any added costs due to the error or omission. Added costs may not be accepted in whole or part.
- 14) Owner reserves to right to accept the bid in full or in part and understands that costs may adjust accordingly.
- 15) Vendor(s) are to refer to the section of "furniture plans" for locations.
